Discipline Policies

Purpose
YouthBuild Philadelphia Charter School has adopted the following discipline policies in order to inform students, parents, and school personnel of the behavior that is expected from all students to ensure a safe and focused learning environment. It is intended to ensure that fair and consistent disciplinary action is taken for similar violations and to inform students and parents of the scope of discipline they will face for particular violations. YouthBuild expects each student to work to the best of his/her ability and to cooperate with the other students and school staff in maintaining a safe, healthy and orderly learning environment. A proper learning environment must be free from disruptive, threatening and dangerous behavior that interferes with teaching and learning.

Above all, YouthBuild's discipline policies are guided by a restorative discipline philosophy. This means that the primary approach to addressing Code of Conduct violations and other generally problematic behaviors is through restorative practices. This approach allows for all parties involved in a discipline situation to sit down together, to hear from those who were affected by the problem behavior, to hold the student accountable for his or her behaviors for any harm that was caused, and to problem-solve and determine what needs to be done to correct the specific problem behavior so that it does not happen again. The emphasis of these restorative practices is on teaching the student how to “restore” the other person for any harm that was done as a result of the student's behavior. Thus, the restorative discipline approach at YouthBuild is intended to be instructional, corrective and restorative, not punitive.

Finally, these discipline policies have been designed to promote safety, order, accountability and responsible conduct in all school-related activities. These activities include all school activities, functions and extra-curricular programs, as well as traveling to and from school. It also includes misconduct off-school premises where the conduct may reasonably be expected to undermine the proper disciplinary authority of the school, endanger the safety of students or staff, or cause disruption within the school.

The range of disciplinary infractions is listed from the least severe to the most severe. Staff members shall consider all mitigating circumstances prior to disciplinary action and ensure due process for each student. Mitigating circumstances include, but are not limited to, the following factors:
- Health, maturity and academic placement of a student
- Prior conduct
- Attitude of a student
- Willingness to make restitution
- Seriousness of offense
- Willingness of student to enroll in a student assistance program

Scope of Rules and Discipline
These rules shall apply to any conduct:
- On school grounds during school day or immediately before or after school hours
- On school grounds at any school activity, function or event
- Off school grounds at any school activity, function or event
- Traveling to and from school, including actions on any school vehicle or public conveyance (e.g., bus or subway)

Suspension and Expulsion Procedures

Suspension of Students

Suspension Defined
Suspension is exclusion from school for a period of from one to 10 consecutive days. 22 PA Code Sec. 12.6(b)(1).

Notifications
No student shall be suspended until the student has been informed of the reasons for the suspension and given an opportunity to respond. However, when the health, safety, or welfare of the school community is threatened, prior notice of the intended suspension need not be given. 22 PA Code Sec. 12.6(b)(1).

Informal Hearings
When the suspension exceeds 3 days, the student shall be given the opportunity for an informal hearing. The school shall offer to hold the hearing within the first 5 days of the suspension.

The purpose of the informal hearing is to enable the student to meet with the appropriate school official to explain the circumstances surrounding the event for which the student is being suspended or to show why the student should not be suspended. The informal hearing is meant to encourage the student to meet with the principal to discuss ways by which future offenses can be avoided.

The following due process requirements are to be observed in regard to the informal hearing:
- Notification of the reasons for the suspension shall be given in writing to the parent or guardian and to the student;
- Sufficient notice of the time and place of the informal hearing shall be given;
- A student has the right to question any witnesses present at the hearing;
- A student has the right to speak and produce witnesses on his/her own behalf. 22 PA Code Sec. 12.8(c)(2).

Duration
Suspensions may not be made to run consecutively beyond the 10-day period.

Responsibility for Work During the Suspension
Students have the responsibility to make up exams and work missed while being disciplined by suspension and will be permitted to complete these assignments within the following guidelines set by the Board of Trustees:

In order to be permitted to make up exams and work missed while being disciplined, you must—
- within two (2) school days of returning to school from suspension, go to the teacher or course instructor and tell her/him that you want to make up tests, exams, work or other assignments you missed while on suspension,
within two (2) school days of going to the teacher, agree on a day and time that is convenient for the teacher to sit down with you and review the missed tests, exams, work or other assignments;

within five (5) school days of receiving the missed work or assignments from the teacher, complete and submit the missed work or other assignments to the teacher; and/or

within five (5) school days of the student being notified of the missed tests or exams, take make-up tests or exams on a day and time that is mutually convenient for both the teacher and the student.

If a student chooses not to assume his/her responsibilities for making up tests, exams, work or other assignments missed while on suspension, the consequences are that the student will receive no credit for the missed tests, exams, work or other assignments.

Expellable Offenses
Expulsion is an exclusion from school by the Board of Trustees for a period exceeding 10 school days and may be permanent expulsion from the School roll. The types of offenses that would lead to expulsion from school are described in more detail in the Discipline Policies section of this Handbook. These offenses include, among other things:

- Bringing a weapon to school premises or at a YouthBuild activity
- Conduct that physically endangers other community members
- Engaging in criminal activity (as defined by state or local law) on or around school premises. For example,
- Deliberately damaging or defacing property
- Assaulting another member of the community
- Possessing, selling, distributing or using illegal drugs or controlled substances on school premises
- Theft or trafficking of stolen property
- Violence, threats or intimidation against community members
- Sexual activity on school grounds or when participating as YouthBuild students in extra-curricular and off-campus activities.

Expulsion Hearings
All expulsions require a prior formal hearing. This hearing may be held before:

§ A representation of the Board of Trustees or
§ an authorized committee of the Board or
§ a qualified hearing examiner appointed by the Board.

In any event, a majority vote of the entire Board is required to expel a student.

Prior to expulsion, the following steps must be taken:

- notification of the charges shall be sent to the student's parents or guardian by certified mail,
- sufficient notice of time and place of the hearing must be given,
- the hearing shall be held in private unless the student or parent requests a public hearing,
- the student has a right to be represented by counsel,
- the student has the right to be presented with names of witnesses against the student, and copies of the statements and affidavits of those witnesses,
the student has the right to request that any such witnesses appear in the person and answer questions or be cross-examined,
- the student has the right to testify and present witnesses on his/her own behalf,
- A record must be kept of the hearing, either by a stenographer or by tape recorder. The student is entitled, at the student’s expense, to a copy of the transcript;
- The proceeding must be held with all reasonable speed.

When the student disagrees with the results of the hearing, recourse is available through the courts.

Placement Prior to a Hearing
During the period prior to the hearing and decision by the representation of the Board of Trustees, the student shall be placed in his/her normal class, except if—

(1) it is determined after an informal hearing that a student’s presence in his/her normal class would create a threat to the health, safety, morals or welfare of others

and

(2) it is not possible to hold a formal hearing within the period of the suspension (that is, up to 10 consecutive school days), if the formal hearing is not unreasonably delayed.

Any students so excluded shall be provided with alternative education which may include home study.

Appeal
When the student disagrees with the decision of the Board of Trustees to expel, the student may appeal that decision to the appropriate court of the Commonwealth.

Suspension or Expulsion of Special Education Students

Students Identified as Intellectually Disabled
The School can suspend students identified as Intellectually Disabled only with either written agreement of the parent/guardian or the written approval of the Bureau of Special Education of the Pennsylvania Department of Education (PDE).

Suspension and Expulsion for All Other Special Education Students—Including Students with 504 Service Agreements
The School may suspend students with disabilities and cease educational services for up to 10 consecutive schools days or 15 cumulative school days in one school year without providing special-education procedural safeguards.
The School must complete the following due-process steps A through G below, for students with an Individualized Education Program (IEP) or Section 504 Service Agreement, if any of the following is being considered:

1. Expulsion Referral.
2. Suspension for more than 10 consecutive days.
3. Suspension for more than 15 cumulative days.
4. Suspensions totaling more than 10 days in an academic school year and when there is a pattern or problem behavior.

Due-Process Steps
A team must convene a Manifestation Determination meeting within 24 hours of the misconduct, and will invite the parents/guardian. The team must:
A. Provide written notice to the parent/guardian of the recommended disciplinary action and the date of the proposed Individualized Education Program (IEP) team meeting.
B. During the IEP/Manifestation Determination meeting, the IEP team will review the student’s most current evaluation, IEP and placement to determine if the referred misconduct is related to the student’s disability. Two questions are to be answered by the school team at the manifestation meeting:

1. is the conduct caused by, or did it have a direct and substantial relationship to, the student’s disability? or
2. was the conduct in question a direct result of the school’s failure to implement the student’s IEP?

If the IEP Team determines that either of those conditions was met, then the student’s conduct must be determined to BE a manifestation of the student’s disability.
C. If the student’s conduct IS determined to be a manifestation of the student’s disability, then School personnel may not apply the disciplinary suspension or expulsion to that student for the violation of the Code of Conduct. Instead, the IEP Team must either (1) conduct a functional behavioral assessment and implement a behavior support plan for the student, or (2) modify the student’s existing behavior support plan, as necessary.
D. If the school team determines that the student’s behavior is NOT a manifestation of the disability, school officials may apply the Code of Conduct. In no event, however, may the student be suspended without providing appropriate educational services for more than 5 consecutive or 15 cumulative school days in a school year. Students with disabilities, even if expelled, must be provided with a Free and Appropriate Public Education (FAPE).
E. A Notice of Recommended Educational Placement (NOREP) must be issued with the results of this determination and a copy of the Procedural Safeguard Notice (PSN) must be given to the parent/guardian.

*If parents or caregivers disagree with the decision, they can request an expedited Special Education Hearing and the Commonwealth-appointed hearing officer will review the manifestation determination.
F. The IEP team determines the appropriateness of an interim alternative educational setting, and as indicated, include in the IEP those services and modifications that will enable the student to continue to participate in the general education curriculum and help prevent the problem behavior from recurring.
G. If the student’s behavior IS a manifestation of the disability, the student’s placement may be changed if:

1. The student carried a dangerous weapon* to school or a school function;

*NOTE: A “dangerous weapon” is a weapon, device instrument, material, or substance that is used for, or is readily capable of, causing death or serious bodily injury. However, in the case of a pocketknife, blades less than two-and-one half inches in length are not considered dangerous weapons. A multi-tool containing a blade or cutting device is deemed a “dangerous weapon.”
(2) The student knowingly possessed or used illegal drugs or sold or solicited the sale of a controlled substance while at school or at a school function; and

(3) The student has inflicted serious bodily injury upon another person while at school, on school premises, or at a school function.

In these special circumstances and over parent/guardian objections, School officials may remove the student, by issuing a NOREP to an interim alternative education setting for not more than 45 school days.

• If the behavior IS determined to be a manifestation of the student’s disability, and the conduct is not a “special circumstances” (see step G.1-3 above), and the student is substantially likely to cause injury to himself/herself or others if maintained in the current placement, then the School may ask for an expedited hearing conducted by a Special Education Hearing Officer to obtain a 45-day interim placement.
